

Dear Friend,

Thanks to partnerships with local businesses and our committed community of donors, Marcus Autism Center has been able to reach more families than ever, expand our research efforts and help to brighten the lives of so many children diagnosed with autism every year. However, our work is not yet done. 1 in 59 children in the U.S. are living with autism spectrum disorder (ASD). **Did you know boys are almost five times more likely than girls to be identified with ASD in Georgia?**

With these staggering statistics in mind, please help us continue to care for these children and their families by being a part of our Inaugural Boys Knight Out at Kefi on Friday, April 17th benefiting Marcus Autism Center. We would like to invite you to show your support by donating an auction item to our event. This mother-son event will include a kid-friendly dinner and exclusive, after-hours access to Atlanta's hottest new interactive play space, Kefi. Our "knights" will enjoy themed activities while the "ladies" will be treated to pampering and a silent auction. Moms will enjoy a date night with their sons while helping us raise money for Marcus Autism Center during Autism Awareness Month. Aunts, grandmothers and special friends are invited to participate as well!

Marcus Autism Center is a not-for-profit organization and subsidiary of Children's Healthcare of Atlanta that treats over 5,000 children with autism and related disorders every year. As one of the only centers in the southeast for treatment of autism and related disorders, Marcus Autism Center offers families clinical care in diagnosis, language and learning, severe behavior and feeding disorders. Support from donors helps Marcus Autism Center develop programs, investigate new treatment options and make services available to children with these disorders.

Autism is an immense issue, and we need help to fight it. Thank you for your consideration of this special opportunity. Your support as an in-kind donor will help continue the excellent work of Marcus Autism Center. A donation commitment form is enclosed for your convenience. We look forward to hearing your response!

With gratitude for your consideration,
