

# Lunch Lecture Topics

## Sibley Heart Center Cardiology

Children's  
Healthcare of Atlanta

-Bicuspid Aortic Valves*
-Chest Pain*
-Dyslipidemias in children*
-Heart Murmurs*
-Sudden Cardiac Death in the young*
-Syncope*

*\*Topics that include 1 CME credit.*

A lunch lecture includes one of our pediatric cardiologists visiting your practice during your lunch hour to speak about the cardiac topic of your choice. Lunch will also be provided to members of your staff who attend the lecture.

To schedule a lunch lecture call **404-256-2593** and ask for the marketing department or visit [choa.org/sibleylunch](http://choa.org/sibleylunch) to request online.
