

Kids at Heart Family Gatherings

Area Coordinators for Kids at Heart Family Gatherings!

Please contact the parent below who lives in or near your area to participate in a Kids at Heart Family Gathering! Family gatherings are designed to connect heart families in your area so ages of children do not matter. We hope this is an easier way to connect with heart families that live nearby outside of Kids at Heart events. If you are interested in hosting a gathering in your area, please email us at kidsatheart@choa.org!
