Pediatric specialty care closer to home

As part of a statewide telehealth network, Children's Healthcare of Atlanta is helping kids across Georgia access specialty care closer to home. Use this map to find your closest telemedicine location.*

Managing more than 1 million patient visits annually at three hospitals and more than 25 neighborhood locations, Children's is one of the largest pediatric clinical care providers in the country.

Visit choa.org/telemedicine or call 404-785-KIDS (5437) for more information.

*Not all services are available at all locations. Call 404-785-KIDS (5437) for a complete list of available services. Locations are subject to change. Child advocacy centers are not included.
