404-785-KIDS

The only number
you need to know

At Children's there is only one number you'll ever need to remember, 404-785-KIDS (5437). This phone number provides you with easy access to all of our services. We've recently updated our call options to make it even easier to connect with the person or service you need to reach.

When calling 404-785-KIDS you will have four different options to choose from. No matter when you call or what option you chose you will always reach a live representative.

Option
1

CLINICAL SERVICES

Select option 1 if you have a clinical question or need.

Option
2

SCHEDULING

Select option 2 if you would like to:

- Schedule an appointment for a Children's service.
- Change or cancel an appointment.

Option
3

BILLING

Select option 3 if you would like to:

- Get answers to your billing questions.
- Make a payment.

Option
4

GENERAL INFORMATION

Select option 4 if you would like to:

- Find a doctor.
- Be connected to a patient room.
- Get directions to any of our locations.
- Reach a Children's employee.
- Be assisted with any other needs.
