

Center for Advanced Pediatrics

Children'sSM
Healthcare of Atlanta

Road closure to begin July 17

In preparation for the opening of Arthur M. Blank Hospital, we would like to make you aware of an upcoming road closure near the Center for Advanced Pediatrics. Starting Wednesday, July 17, a section of the road leading to the Center for Advanced Pediatrics will be closed from 8:30 a.m. to 4 p.m. for approximately one week. This closure impacts the entrance and exit routes.

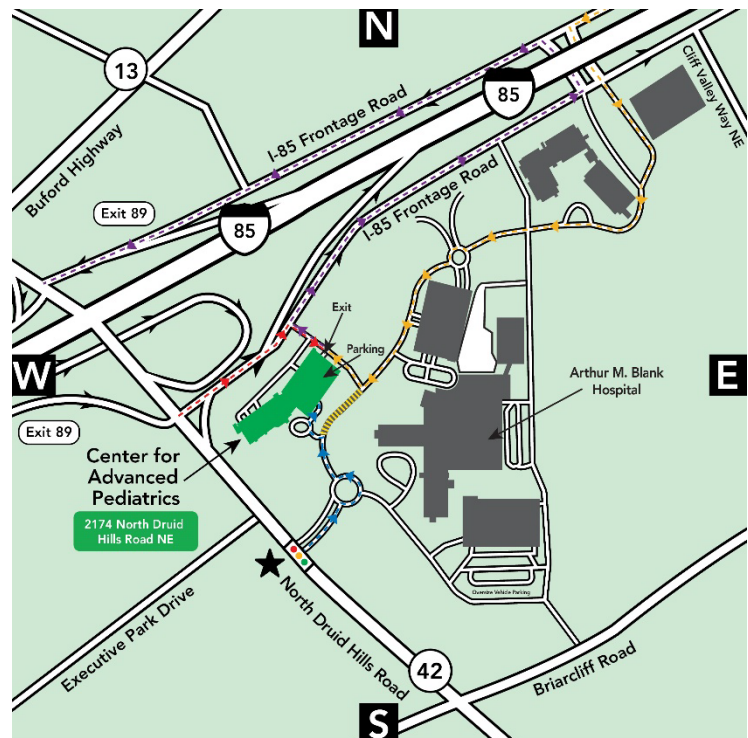

If your child has an appointment at the Center for Advanced Pediatrics during this timeframe, please make note of the following changes. See map for details.

Entrance

- **From North Druid Hills:** Continue to enter through the main campus entrance. You will be directed to a single lane at the roundabout.
- **From I-85 Frontage Road (traveling North):** Enter the parking deck from the side entrance (Level 2).
- **From Clairmont Road and I-85 underpass (traveling South):** Follow the signs to the Center for Advanced Pediatrics. Enter the parking deck from the side entrance (Level 2). Note, you will not be able to access the front drop-off from this direction.

Exit

- Continue to exit the parking deck from Level 2.
- Due to the road closure, all vehicles must turn left out of the parking deck right onto I-85 Frontage Road. Continue straight to access I-85 North. To access I-85 South and North Druid Hills Road, make a U-turn at the I-85 underpass at the first traffic light.

--- North Druid Hills Road --- Clairmont Road --- Road Closed
--- I-85 Frontage Road --- Exit
