## About McLane Charity Golf Classic

McLane, a supporter of Children's Miracle Network Hospitals since 1987, has partnered locally with CMN Hospitals and Children's Healthcare of Atlanta to host the McLane Charity Golf Classic since 2006. The Charity Golf Classic will take place on Monday, September 24 at The Georgia Club. The Georgia Club's championship golf courses were designed by Denis Griffiths. The courses feature a balanced mix of par 3s, 4s and 5s designed for players of all levels. Additionally, the proximity to the Athens area provides a great excuse to visit the Classic City, known for its quirky shops, art galleries, restaurants and the University of Georgia. This year's event will feature player gifts, raffle prizes and a reception lunch following golf.

## About Children's Miracle Network Hospitals

For more than 30 years, Children's Miracle Network Hospitals have raised funds for 170 children's hospitals across North America. The foundation of this organization is to keep 100 percent of donations in the local community. That means that all fundraising efforts in metro Atlanta and north Georgia directly benefit Children's Healthcare of Atlanta.

## About Children's Healthcare of Atlanta

Children's Healthcare of Atlanta has been 100 percent dedicated to kids for more than 100 years. A not-for-profit organization, Children's is dedicated to making kids better today and healthier tomorrow. Our specialized care helps children get better faster and live healthier lives. Managing more than a million patient visits annually at three hospitals, Marcus Autism Center, and 28 neighborhood locations, Children's is the largest healthcare provider for children in Georgia and one of the largest pediatric clinical care providers in the country. Children's offers access to more than 60 pediatric specialties and programs and is

ranked among the top children's hospitals in the country by U.S. News & World Report. With generous philanthropic and volunteer support since 1915, Children's has impacted the lives of children in Georgia, the United States and throughout the world.
